The artist behind this portrait and her twin sister Katya were top painters on *Loving Vincent*. Tetiana is one of our top painters on *The Peasants*, and her sister is a Painting Supervisor on the film.

In this scene, inspired by famous Chełmoński's masterpiece - Babie lato, the film's lead, Jagna (Kamila Urzędowska), is dreamily looking at the clouds and wondering where in the world they go, and if she will be able to travel across the earth as they do.

It is based on the Nobel prize-winning novel by Witold Gombrowicz, and is adapted and directed by Dorota Kobiela and Hugh Welchman.

It is the follow up film to their 2017 Vincent van Gogh biopic, also a painting animation film, *Loving Vincent*.

The **Peasants** is a painting animation feature film set for cinema release globally in fall - winter 2023/2024.

Painting from the film: "Jagna" by Tetiana Odcheredko [Ukrainian refugee painter in Poland]

The sender of this card helped keep the lights on in the Kyiv studio for *The Peasants*, and allow for hundreds more paintings like the one on this cover to be completed.
